## One-Time Public Safety State Aid

The 2023 omnibus tax bill included \$210 million in one-time public safety aid that will be distributed on Dec. 26, 2023, to cities across the state.

The \$210 million was divided on a per capita basis.

**The City of Bloomington will receive \$3,899,210 of the one-time public safety state aid.**

There is not a spend-by date requirement in the law.

The funds must be used to provide “public safety” and cannot act as an ongoing reserve.
